

## FINDING LAUNCH SITES

Interactive maps are available at - <http://www.champagne-flights.co.uk/flight-launch-sites>

### Northampton – Sywell Aerodrome

#### To find morning / evening take off site Sywell Aerodrome, Sywell - NN6 0BN

The aerodrome lies 3 miles north east of Northampton and can be easily accessed from the A43 (Kettering rd).

#### From Northampton on the A43

Leaving Northampton, from the last main roundabout (junction A43 & A5076) head north east on the A43, towards Kettering. After approximately 1 mile turn right toward Overstone & Sywell. Continue through both of these villages to Sywell Aerodrome, pass the main entrance on your left, and turn into the **Aviators Hotel Car Park** or **The Museum Car Park**, both are also on the left.

Please .. **only use the Aviators Hotel Car Park** or the **Museum Car Park** (The Museum Car Park gate is locked to incoming traffic at 18.00 hrs; however you will still be able to exit after this time)

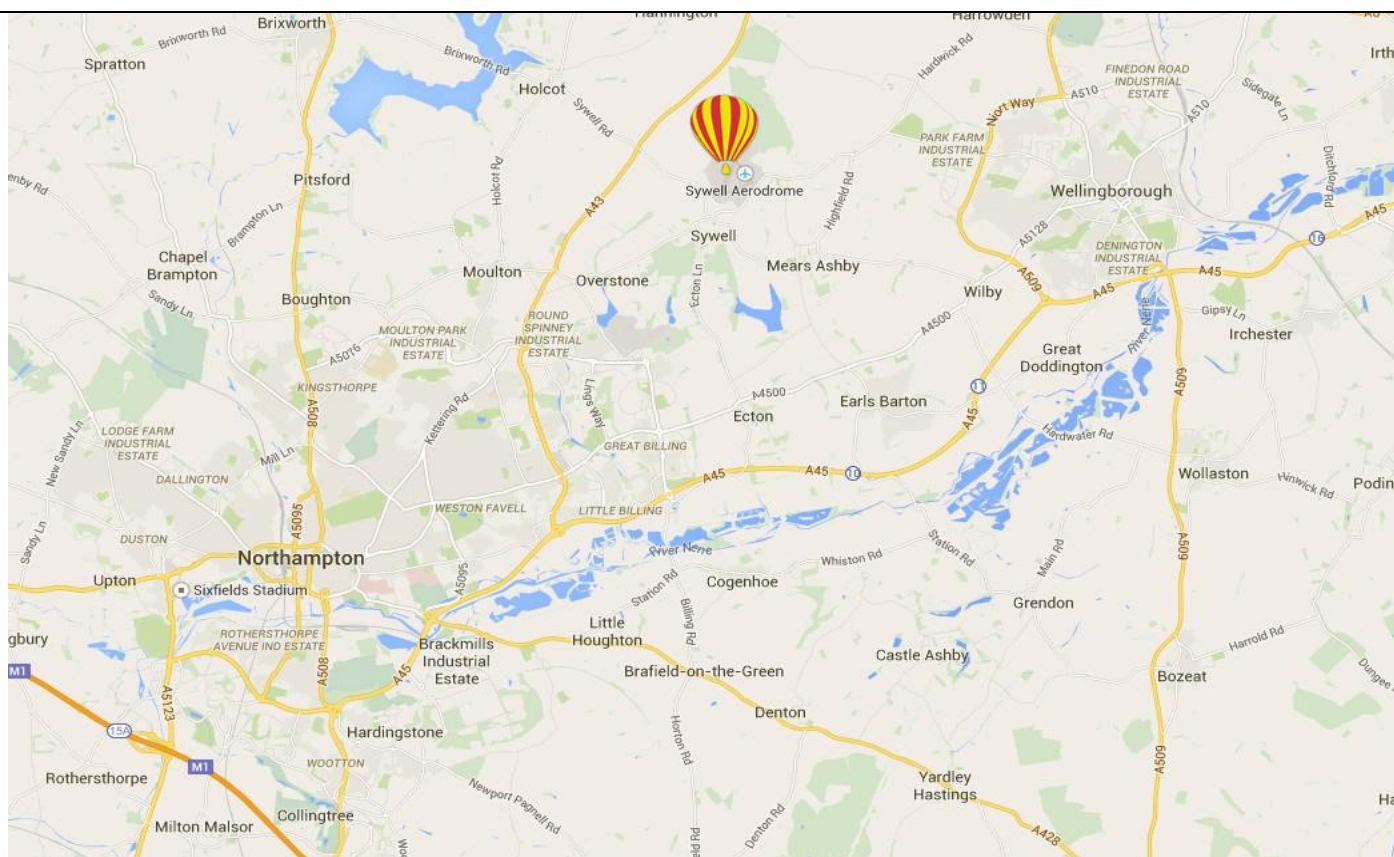

**On Arrival** - please **immediately** make your way to the **launch site** which is on the airfield adjacent to the **Museum Car Park**.

If parked in the **Museum Car Park**, access to the launch site is via one of the pedestrian gates onto the airfield, and a Champagne Flights staff member will use a code to open the gate. If parked in the **Aviators Hotel Car Park** go through the Hotel (entrance has the **Aerodrome** sign above). Go past reception to the back of the Hotel and out on to the airfield perimeter fence, and a Champagne Flights staff member will use a code to open the gate.

#### **Safety Note !**

**Be aware this is an active airfield. Aircraft may be at very low level whilst taking off or landing. Always give way to aircraft.**

Please allow extra time to find the airfield if you do not know the area well. If you have any problems finding us please call mobile number ASAP - **07831 773999**
